	Total		70
B. PROJECT VIEWING			
1	Completeness		5
2	Aesthetics		5
3	Functionality		10
4	Explanation & Understanding		10
	Total		30

Guidelines

1. Use information provided in the above table as guide in preparing your slides
2. Time allocated for the presentation is 10 minutes (and 10 minutes for Q&A)
3. Each objective should have 1-3 slides for materials & methods and 1-3 results & discussion
4. Use font size of at least 24
5. All your slides should be numbered

Hint. Try rehearsing your presentation with your colleagues (at least twice) before your final presentation
